Dean’s Message

“法律的生命不在于逻辑而在于经验”。法学教育的法律职业化，使得以模拟法庭训练为主的实践性教学形式在国内法学院校备受关注。新时期涉外法治建设和斗争的需要对涉外法治人才培养提出了新的更高的要求，也是当前法学教育的紧迫任务。全英文国际模拟法庭竞赛活动，因其高度的专业和外语要求，是国内精英法学院高端涉外法治人才培养的重要环节。在高端国际学科竞赛中的成绩，是我国法学院校涉外法治人才培养和参与全球法律竞争实力的重要检验标准。

对外经济贸易大学法学院是我国涉外经贸法律教学科研的传统重镇，一直走在全国涉外法治人才培养工作的前列。国际模拟法庭竞赛是我院涉外育人的重要机制平台。近 6 年来，在学院的激励扶持和有序管理下，贸法学子踊跃参与 Jessup、Vis Moot、FDI Moot、JHJMCC、Price Moot、ICCMCC 和 Fletcher Moot 等七大赛事，代表国内法学院活跃于国际赛场，共荣获 20 余个团体和个人国际奖项、10 个全国冠军和 30 余个国家级奖项，居于全国领先地位。

涉外法治人才培养任重而道远。面临百年未有之大变局，高端涉外法治人才培养已成为国家深度参与国际竞争之基础。根据习近平法治思想对“坚持统筹推进国内法治和涉外法治”的要求，对外经济贸易大学法学院致力于培养敢于和善于“综合利用立法、执法、司法等手段开展斗争，坚决维护国家主权、尊严和核心利益”的涉外法律专才。国际模拟法庭竞赛所采用的国际司法及仲裁程序，正是国际法律斗争的真实写照。让优秀法律学子在高端国际法律赛事中获得锻炼和成长，是培育国家高端涉外法治人才、参与国际法律斗争的应有之义，也是对外经济贸易大学法学院未来人才培养工作的重点工作，从而以实际培养成果为国家涉外法治建设做出我们应有的贡献。

对外经济贸易大学法学院院长

“The life of the law is not logic: it is experience.” Because of China’s eminent trend of professionally-focused legal education, moot court training is an essential application of practical teaching that has attracted much attention in China’s law schools. Nowadays, with China’s increasing demands for the progression and safeguarding of its rights under international rule of law, the cultivation of international legal talents is at a bottleneck and is an urgent priority of our current legal education. Accordingly, English international moot court competitions have become an internationally related practical teaching method which is pursued by every qualified China law school. Further, winning results from such distinguished international moot court competitions exemplify key criteria for assessing not only the esteemed achievements of international legal education by an elite number of Chinese universities, but also their strengths in global legal competition.

The School of Law of the University of International Business and Economics (“UIBE Law School”) is a traditional center for China’s teaching and research of international economic and business law, and has always been at the forefront of our country’s cultivation of legal talents for foreign affairs. At UIBE Law School, international moot court competitions are an important platform for international legal education. Over the past 6 years, with UIBE Law School’s encouragement, support and management, law students have actively participated in seven major competitions: Jessup, Vis Moot, FDI Moot, JHJMCC, Price Moot, ICCMCC and Fletcher Moot. As a top representative of China’s law schools, UIBE Law School students have been active on the global stage. They have won over 20 team and individual international awards, 10 national champions and over 30 national awards, leading the way in China.

There is still progress to be had in training international legal talents. Facing unprecedented changes in this century, the cultivation of high-end international legal talents has become the foundation for China’s immersive participation in international competition. Following President Xi Jinping’s Thought on the Rule of Law, to “adhere to the overall promotion of the domestic as well as foreign-related rule of law,” UIBE Law School is committed to the cultivation of international legal specialists who are courageous and adept in “the comprehensive use of legal tools including: legislative, law enforcement, judicial and other means to resolutely safeguard China’s sovereignty, dignity and core interests.” International moot court competitions, modeled after international judicial and arbitral proceedings, are a true portrayal and key methodology in the development of said international legal tools. Supporting outstanding law students in their participation and development in distinguished international moot court competitions is exactly what our country requires, to cultivate high-end international legal talents for the purpose of winning international legal battles. Thus, this is what UIBE Law School focuses on in its future cultivation of talents, so as to duly contribute to China’s development of foreign-related rule of law through actual cultivated results.

回眸“十三五”：贸大国际模拟法庭竞赛的崛起

Looking Back on the "13th Five-Year Plan": The Rise of UIBE Law School Teams in International Moot Court Competitions

国际模拟法庭竞赛是对外经济贸易大学法学院（“贸大法学院”）在“十三五”期间加快建设全国“涉外法律人才教育培养基地”的重点项目。基于我院以往的活跃表现和已有成绩，结合近年国际局势急剧变化、全球治理面临变革、中外对抗加剧的严峻现实，我们及时回应国家对实战型高端涉外法治人才的迫切需求，赋予此类常规涉外实践性教学活动更高远的培养目标和更多元的培养功能。在征战海内外的高强度全英文法律抗辩中，贸法学子不仅临战磨砺了专业技能，更设身处地领会到祖国在国际平台上抗争的不易，从而激发起爱国热情和时代使命感，使课堂思政与专业实训有机融合。

六年多来，我们在各项国际赛事中连创佳绩，团体及个人共斩获 24 个国际奖项和约 40 个国家级奖项（含 10 个全国冠军）。贸法队伍在参与的所有赛事中稳居全国前列，而在与国际经贸法相关的系列赛事中更跻身世界先进行列，如 FDI Moot（国际投资仲裁）全球四强、Vis East（国际商事仲裁）全球十六强、Jessup（国际法）全球百强辩手、Price Moot（传媒法）全球十六强和 JHJMCC（世界贸易组织法）东亚亚军。

这些突破性的辉煌战绩，成为我院培育高素质涉外法治后备人才的标志性成就，在海内外牢固树立起了贸法品牌。更可喜的是，一批批学子从竞赛队伍中成长起来，不仅成为我院输送国际组织实习、任职的主力军，而且相当部分在毕业后考入了商务部、外交部等涉外主管部门，更多的直接奋战于国际争端解决一线或投身涉外法务工作，实现了我们既定的培养目标。

贸法学子持续不断的优异表现，印证了我们在涉外育人的艰辛探索中成功闯出了一条特色之路。基于对国际模拟法庭竞赛的高度重视，院领导班子由我常年主抓，全程把关各项赛事，并遵循模拟法庭“以学生为主角”的内在规律，指导竞赛队伍创设“模拟法庭俱乐部”进行日常协调管理，大力推行学生教练制度，充分发挥历届优秀队员的传帮带作用，形成了特有的“贸大模拟法庭文化”。学院同时完善激励机制，通过综测加分、专设奖学金等形式鼓励广大学生踊跃参赛，争创佳绩。

若说国家战略需求导向和机制体制创新是我们的制胜经验，贸大法学院长久以来的英美法传统、涉外学科优势和国际化特色则是贸法学子在国际赛事中无往不胜的有力保障。无论是专业老师们的悉心指导、全院上下的大力支持，还是广大校友和社会各界的关爱帮助，都使贸法队伍如虎添翼，在为国为校争光的征程上一往无前。随着“十四五”的到来，我们期待国际模拟法庭竞赛继续发挥涉外育人的主平台作用，结出更多硕果。

对外经济贸易大学法学院副院长

Participation in international moot court competitions is a key project for the School of Law of the University of International Business and Economics (“UIBE Law School”) and contributes to its State-designated “Education and Training Base for Outstanding International Legal Talents.” UIBE Law School has long enjoyed a tradition of active involvement and excellent performance in international moot court competitions. Today, these activities are more relevant than ever before as we are faced with drastic changes in international landscape, profound reforms on global governance as well as heightened tensions between China and the West. Against this background, UIBE Law School has placed particular significance to international moot court competitions as a response to China’s urgent demands for practice-oriented international legal talents. As such, student participation and training for international moot court competitions adheres to a more ambitious objective and a more diversified role. In these competitions, UIBE Law School students not only sharpen their legal skills, but also obtain first-hand insights into real-world legal interactions, including the challenges facing China. This serves to arouse students’ patriotism and their sense of mission, effectively integrating in-class ideological teachings with professional training practice.

Over the past six years, we have achieved continuous success in various international moot court competitions. Our student teams and individual participants have received in total, 24 international awards and around 40 national awards (including 10 national champions). With these achievements, UIBE Law School is firmly in the national forefront of all the major international moot court competitions. In those related to international trade and economic law, UIBE Law School teams have advanced as top teams in global competitions, for example: “Global Top Four” in FDI Moot (International Investment Arbitration), “Global Top 16” in Vis East (International Commercial Arbitration), “Top 100 Oralists” in Jessup International Rounds (Public International Law), “Global Top 16” in Price Moot (Media Law), and “Runner-up” in East Asia & Oceania Round of JHJMCC (WTO Law).

These brilliant breakthroughs are landmark achievements of our law school in cultivating high-quality international legal talents, and firmly establish a reputable name at home and abroad. Even more gratifying is that some participants have graduated to become interns and employees of major international organizations and officials of state agencies in charge of foreign affairs (e.g., the Ministry of Commerce and the Ministry of Foreign Affairs). Many others have directly advocated on the front line of international dispute resolutions or served transnational corporations as legal counsels, achieving our established legal training goals.

The continuous outstanding performance of UIBE Law School students proves that we have successfully blazed a unique path in the arduous development of international legal education. Dedicating great attention to international moot court competitions, I have on behalf of UIBE Law School’s leadership supervised all moot teams throughout their entire competition process. Moreover, following the “make students the protagonists” innate principle of moot court, I have guided teams in the establishment of a “moot court club” for everyday management and have vigorously promoted a student coaching system, making full use of the outstanding moot court alumni teaching role and forming a unique “UIBE moot court culture.” Additionally, in offering comprehensive evaluation bonus points and special scholarships, UIBE Law School has improved its incentive system to encourage students to participate in moot court competitions and strive for excellence.

National-strategic-demand orientation and teaching methodology innovation has positively influenced our winning experience, and UIBE Law School’s unique characteristics such as its long-standing Anglo-American law tradition, international and foreign law-related discipline advantages, and strong international awareness are a guarantee for the students’ assuredness in international moot court competitions. With careful guidance of professional teachers, strong support of the school, and the loyalty and willing assistance of various alumni and others, UIBE Law School moot court teams will become even more successful and continue to lead in the journey of winning glory for the country and the school. With the arrival of the “14th Five-Year Plan,” we expect that international moot court competitions will continue to play a primary role as our major platform for international legal education and will continue to bear more fruitful results for China.

Deputy Dean, UIBE Law School

“模拟法庭俱乐部” Moot Court Club

贸大法学院的“模拟法庭俱乐部”由所有参赛队伍组成。赛队成员为正式会员，同时在队外吸收有潜力的“梯队会员”进行定期培训。俱乐部下设秘书处，在学院的指导监督下管理和协调各参赛队伍的日常备赛及参赛活动。

The “Moot Court Club” of UIBE Law School consists of all moot court teams. Moot court team members are official members of the club, while potential “tier members” are recruited outside the teams and receive regular training. The club secretariat, under the guidance and supervision of UIBE Law School, manages and coordinates the everyday preparation and participation activities of each team.

学生教练制度 Student Coaching System

贸大法学院通过“模拟法庭俱乐部”遴选往届优秀队员担任学生教练或组建学生教练团队，全程指导当届竞赛队伍的备赛参赛活动，做好传帮带。“贸大模拟法庭文化”得以薪火相传。

Through the “Moot Court Club,” UIBE Law School selects outstanding moot court alumni to become student coaches or members of student coach teams. These student coaches guide current moot court teams throughout the whole process of preparing for and participating in competitions, passing on the “UIBE moot court culture” from generation to generation.

吴宗楠 WU Zongnan

From participating in the competition as a team member in 2014 to coaching the UIBE law team to international rounds, what I harvested is not only legal knowledge, but also a broad international vision and close friendships with many Jessupers. UIBE Law School has spared abundant resources for Jessup, and I encourage more students to participate in the competition and strive for further success.

冯堃 FENG Kun

Being a student coach is completely different from being a team member as I used to be, but certainly it is my most precious experience in my college journey, as it not only gives me a different perspective to see the moot court but also I learned the deeper meanings behind the moot court from this, i.e. the moot court is more than a competition but a voyage of self-growth and discovery.

张骏 ZHANG Jun

To improve is to change, to perfect is to change often. Going far enough in the competition takes time, sweat and passion of all team members by constantly forcing themselves to go the extra mile and focusing on the common goal.

王博洋 WANG Boyang

Serving as the student coach for the subsequent teams has acquainted me with many friends who share the same academic interests with me. For me, Vis is more than just a competition, but also a platform for elite law students to meet and communicate with each other.

郑紫涵 ZHENG Zihan

Being the student coach in my senior year is an absolutely rewarding journey. I have always enjoyed the team's weekly meeting where we read the Compromis together, discuss the core legal issues and test the viability of our arguments. I was delighted to see their improvement week by week. Coaching our team has become another way of seeing my dream come true.

王资文 WANG Ziwen

Participating in and coaching teams for Jessup competition helped find my niche in academic studies, broadened my vision and insights into diverse areas of international law, and sharpened my critical thinking and reasoning. It is particularly heartening to see that generations of hard work pays off and the Jessup team in UIBE Law School has grown increasingly experienced and competitive.

许群 XU Qun

As a coach, my priority was to make the preparation plan, and sum up experiences and lessons. The trust of teachers and team members gave me confidence and helped me adapt. In the process, I also learned from the team members. This made me better understand the importance of teamwork.

陈真玲 CHEN Zhenling

Moot court is in essence a "competition", so you may feel frustrated and regretful for failure, while feel joyful for winning. Moot court is more than a "competition", if you are fully engaged, you will be equipped with skills to explore the vast legal world.

张乃凡 ZHANG Naifan

Accompanying my teammates in their preparation was so memorable. I saw in them a similar quest for justice, a defense of human rights, and a consideration of various interests as I did last year. I am proud to witness them reaching the global stage and carrying on Price Moot's ideals.

张文韬 ZHANG Wentao

I spent a lovely year in Price, being the coach, chasing self-transcendence. In 2019, our team admitted defeat when encountered the powerful rivals. One year after, back to the Asia-Pacific Round, we were proud to fight close wars. It was also inspiring to know everyone enjoyed the process.

陈文秀 CHEN Wenxiu

The moot court experience is an evolution for me. Except from the changes that the moot court itself has brought to me, those struggled days and nights with my teammates to discuss, research, write and sometimes even argue for a goal are unforgettable.

黄圆圆 HUANG Yuanyuan

Fletcher Moot was the last academic assignment for me as a PhD student, and also the first time I had participated as a coach in the moot court competition. It was a wonderful journey and I’m very grateful to our school and four excellent team members for their trust. In the future, I will continue to cultivate the field of cross-border insolvency law. I hope to live up to what I have learned, and the expectation of the people and the country.

赛事简介 Introduction

“杰赛普”国际法模拟法庭大赛（Philip C. Jessup International Law Moot Court Competition），是由“美国国际法学生联合会”（International Law Students Association，ILSA）主办的专业性法律辩论赛。该比赛为全球规模最大的模拟法庭竞赛。自 1960 年举办以来，每年有 100 多个国家的 700 余所大学参赛，是各国法学教育水平的集中展示。中国自 2003 年起连续受邀参加此项赛事。

Philip C. Jessup International Law Moot Court Competition is the world's largest moot court competition, with participants from roughly 700 law schools in 100 countries and jurisdictions. The Competition is a simulation of a fictional dispute between countries before the International Court of Justice, the judicial organ of the United Nations. Teams prepare oral and written pleadings arguing both the applicant and respondent positions of the case. The Competition was first held in 1960 and the first Chinese Round took place in 2003.

备赛参赛历程 Participation History

早在“杰赛普”国际法模拟法庭大赛于 2003 年引进中国之前，贸法校友王雪华和刘铁虎就于 1987 年代表中国学子出征海外打入全球半决赛，扬威国际。自 2004 年以来，贸法团队积极参与历届中国区域赛并多次取得佳绩。在“十三五”期间，Jessup 团队在中国区域赛中获得 1 次全国季军、3 次全国一等奖、2 次全国最佳书状奖和 3 次全国最佳辩手奖。同时，Jessup 队伍两度晋级全球总决赛，荣获“全球百强辩手”（队员王资文同学）和“Alona E, Evans Award 国际赛书状奖”。

Before the Jessup International Law Moot Court Competition was formally introduced to China in 2003, WANG Xuehua and LIU Tiehu, then UIBE Law School students, had already made their way to the 1987 Global Semi-Finals representing Chinese law students, and left their mark with their extraordinary performance. Since 2004, the Jessup Teams have actively participated in every annual Chinese National Round and have won successive victories. During the “13th Five-Year Plan,” in the Chinese National Rounds, the Jessup Team was once the 2nd Runner-up, three-time First Prize Winner, and two-time recipient of “Best Memorial Award”; while individual members of the Jessup Team were three times named “Best Oralists.” In addition, the Jessup Team also qualified for the International Rounds twice, and won the recognition of “Global Top 100 Oralist” (Mr. WANG Ziwen) and the “Alona E, Evans Award for Best Memorial at International Rounds.”

吴可可 WU Keke

The opportunity to participate in the Jessup was the highlight of my law school experience. Tackling cutting-edge legal challenges in public international law, we carried out in-depth legal research, drafted compelling legal briefs, presented oral arguments, and networked with fellow contestants—experience not found in any classroom. These skills proved invaluable in my legal career.

严涛 YAN Tao

Jessup provides a platform for students to exchange ideas with great minds from China or even around the world. Regardless of the outcome, participation in this competition could considerably strengthen students’ knowledge on law, broaden their horizons, explore their full potential, establish a clear direction for their future and benefit their future development at last.

周啸宇 ZHOU Xiaoyu

While the process of learning and reconstruction can be overwhelming, what is required in the preparation of Jessup is consistent team communications, interactions, and sharing of ideas. Jessup has motivated me carry forward the academic enthusiasm and rigor and continue to bring honor and pride to the UIBE law school.

陈栋才 CHEN Dongcai

Those days when we enthusiastically discussed problems together, fastidiously revised legal documents and devotedly preparing for court arguments eventually translated into the joy of “hard work pays off” as the team finally made it to the international rounds. I find it especially precious, wonderful, and unforgettable.

郑璐璐 ZHENG Lulu

During the preparation of nearly eight months, all the teammates were fully dedicated and spent days and nights together, conducting legal research, having intensive discussions for hours, digging into cases and reasonings, figuring out all potentially relevant legal rules, and contemplating the facts and details over and over again.

郝珈锐 HAO Jiarui

With half of my college life spent in Moot Court, I get memories to last a lifetime. Moot Court takes me to the forefront topics of international law and has exposed me to the value of working alongside a team where there is one single goal. Together with my teammates, we push ourselves to the limits, overcome unexpected difficulties and win the glory.

赛事简介 Introduction

Willem C. Vis 国际商事仲裁模拟仲裁庭辩论赛由“Willem C. Vis 国际商事仲裁模拟仲裁庭辩论赛组织与促进协会”主导，联合国国际贸易法委员会等联合举办，是在全球范围内规模最大、水平最高的模拟法庭赛事之一，在国际法领域具有深远的影响。Vis East Moot 是 Vis Moot 的东方赛场，与其互为平行赛事，二者共用一套案件问题与规则。

The Willem C. Vis International Commercial Arbitration Moot is organized by the Association for the Organization and Promotion of the Willem C. Vis International Commercial Arbitration Moot, co-sponsored by United Nations Commission on International Trade Law (Secretary of UNCITRAL is member ex officio) and other institutional members. It is one of the largest and highest-level Moot Competitions in the world, having profound influence on international law. The Vis Moot (East) is a sister moot to the Vis Moot that takes place in Hong Kong. These two Moots are parallel and separate, while they use the same Problem and the rules are essentially the same.

“贸仲杯”国际商事模拟仲裁庭辩论赛由中国国际经济贸易仲裁委员会主办，是我国国际商事仲裁领域最高级别的英文模拟辩论赛，也是 Vis Moot 认可的全球首场赛前赛。“Vis 国际商事仲裁模拟法庭竞赛 - 北京邀请赛”（“Vis 北京邀请赛”）和“Moot Shanghai 国际模拟商事仲裁上海邀请赛”（Moot Shanghai），是 Vis Moot 的热身赛，分别由北京仲裁委员会和上海政法学院主办，为参赛队伍提供赛事练习和指导。

“CIETAC Cup” is organized by China International Economic and Trade Arbitration Commission (CIETAC). It is the highest-level Moot Competition concerning international commercial arbitration in China, as well as the first pre-moot approved by Vis Moot in the world. “Vis Beijing Invitational Tournament” and “MOOT Shanghai” are warm-up competitions of the Vis Moot, organized by Beijing Arbitration Commission (BAC) and Shanghai University of Political Science and Law respectively, providing training and guidance for participating teams.

蔡灵珂 CAI Lingke

Before stepping into the game, I always doubted whether studying law was the right thing. But moot court showed me the value of a rule-based system despite the world is changing fast. I also cherish the abilities it gave me: to apply and interpret rules, as well as to think about the rationale behind.

蓝楠 LAN Nan

Participation in the moot court competitions is one of my best experiences in colleague years - it's where you learn from smart teammates, compete against best students from other universities, receive valuable feedback from insightful lawyers and academics. I believe that irrespective of whether you could make it to the finals, you will never regret the decision to sign up as a contestant.

叶聪颖 YE Congying

I am really grateful for meeting excellent teammates through this match. We are very good friends so far. Our coaches David and Jane help us understand the facts of the case from multiple angles, which is essential to grasp the key points in the competition.

王琛 WANG Chen

The moot court experience became part of my life. It shaped me, inspired me and led me to meeting great friends with the same marks.

李方宁 LI Fangning

Participating in CIETAC Cup and Vis competitions is no doubt an extremely memorable experience. It enabled me to befriend amazing people, offered me opportunities to develop my professional skills in a hands-on learning environment, and made me a more perseverant and mature person.

冯怡 FENG Yi

As the biggest commercial arbitration moot, Vis provides me chances to work with the smartest students in the legal field. I cooperated with the most fantastic teammates, competed with law students from top universities, and persuaded harsh arbitrators with unpredictable tastes. A highly recommended moot for students who love challenge.

张静佳 ZHANG Jingjia

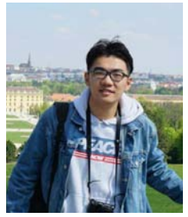
Vis moot set the tone for me to become a transaction lawyer. At first I felt overwhelmed with the tense schedules and huge pressure as researcher and oralist, but it turns out that each of us has the potential to live a balanced life, develop great friendship, as well as become a champion.

杜博洋 DU Boyang

Participating in the moot court competition greatly improved my ability of legal thinking. Meanwhile, during the preparation of the competition, I gained precious friendship through working together sincerely with my teammates. The experience of working as a team and taking part in this competition means a lot to me.

赵超 ZHAO Chao

Championship derives from a belief in excellence and a desire for collective pride, and also from sheer courage and determination to confront the adversary. The competency, responsibility, and patience that we forge in the process are pushing us to move further.



李睿霆 LI Ruiting

The experience of the moot court is not a mere match, but also a training of the mind, an improvement of vision, a breakthrough in oneself and shaping of the future. This experience is one of the most precious memories in college life whenever I think back.

刘奔 LIU Ben

Attending Vis Moot is a decision I will never regret. From Beijing to Shanghai, from Hong Kong to Vienna, it is a marvelous journey to gain knowledge of the law, explore different cultures, and meet extraordinary people. To a Vis mootie, the sky is the limit!

程嘉雯 CHENG Jiawen

I cherished all I have experienced in Vis moot court competitions. I learnt practical legal skills, felt the charm of divergent legal concepts, improved my English proficiency, and shared tears and laughs with my lovely teammates. All the sleepless nights, struggles and downfalls will pay off in here!

张佳晖 ZHANG Jiahui

It is a memorable adventure to participate in the Vis. Digging into applicable laws for thorough comprehending, analyzing exhibits for tenable arguments, training oral pleading for impeccable presentation, all of these draw us a picture of International Commercial Arbitration as well as guide us to be a qualified legal practitioner.

John H. Jackson Moot Court Competition

赛事简介 Introduction

“John H. Jackson 世界贸易组织模拟法庭竞赛”（前身为“ELSA-WTO 模拟法庭竞赛”）是由欧洲法学生联合会（ELSA）在世贸组织技术支持下举办的世贸组织争端解决制度模拟庭审。这项竞赛以世贸组织的主要奠基者之一、美国法学教授 John H. Jackson 命名。来自世界各地的参赛队伍准备和分析一个虚构的案件，并在由世贸组织和贸易法专家组成的专家组面前展开辩论。

The John H. Jackson Moot Court Competition on WTO law (formerly known as ELSA-WTO Moot Court Competition) is a simulated hearing of the WTO dispute settlement system, organized by the European Law Students’ Association (ELSA), with the technical support of the WTO. The competition is named after American law professor John Howard Jackson, one of the chief architects of the WTO. The participating teams from all over the world prepare and analyze a fictive case and present their arguments in front of a panel which consists of WTO and trade law experts.

“中国 WTO 模拟法庭竞赛”是由中国政法大学、西南政法大学、中华人民共和国商务部条法司以及中国法学会 WTO 法研究会共同主办。该比赛通过模拟 WTO 争端解决机制专家组程序，旨在推进高校学生对 WTO 规则的掌握与运用，并促进未来 WTO 谈判和争端解决人才的培养和选拔。

“China WTO Moot Court Competition” is co-sponsored by China University of Political Science and Law, Southwest University of Political Science and Law, the Department of Treaty and Law of the Ministry of Commerce, and WTO Law Research Society of China Law Society. The competition aims to promote the mastery and application of WTO rules by university students and to facilitate the training and selection of future WTO negotiation and dispute settlement talents through simulating the WTO dispute settlement mechanism panel procedures.

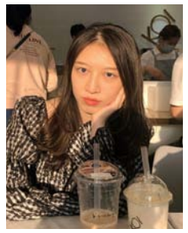
任笑寒 REN Xiaohan

Moot court problem always caters to highly discussed international topics, rendering it novel and challenging. For me, the feeling of breaking through myself is the best part of moot court competition.



葛悦 GE Yue

Participating in the moot court allows me to be exposed to cutting-edge topics and provide analysis and solutions to current issues. The experience has benefited me greatly and motivated me to enrich myself on the road ahead.

尚琳 SHANG Lin

The WTO Moot Court Competition provides us with a valuable opportunity to hone both written and oral advocacy skills. The legal research, analysis, writing and oral advocacy skills we polish during the competition are essential in a wide range of practice areas. Participating in the WTO Moot Court Competition is the most unforgettable experience in my undergraduate study.

朱颖 ZHU Ying

The ELSA Moot Court is the best memory in my college days and it paved the way to my career choice of being a dispute resolution lawyer. I will always appreciate the bond with my team members and the days when we fought together.

柳安楠 LIU Annan

Professor Luo Xiang once said, "The more can reflect human dignity of happiness, the more a higher happiness." Moot court may help you explore happiness and delight by "applying your knowledge". I have long forgotten the specific cases and debates, but the thinking mode and methodology taught by the competition benefits me to this day.

邓楚榆 DENG Chuyu

Participating in the ELSA moot court has greatly enhanced my ability of legal research and legal writing. Besides, I get to know many outstanding seniors and classmates through the moot court. Communicating and discussing with them can really open up my mind and drive me to improve my learning method.

黄芷蕙 HUANG Zhihui

Preparations for a moot court competition cover legal research, reading, writing and oral submission. Professors, coaches, members of other teams guide and support us a lot. Moot court competition deepens my understanding on moot cases and enlightens my further studies.

熊丽媛 XIONG Liyuan

Two most important things mooting has taught me: 1. Quoting the wrong legal authorities may not necessarily make you lose the match, but will make you a less credible lawyer. I realized the level of responsibility attached to what I say in court thanks to my strict coach. 2. Pulling all-nighters with teammates who you have also shared laughs, cries and worries with, will help you realize “working hard as ONE” is a life-time asset far more precious than any prize.

万彦麟 WAN Yanlin

I could still remember Mr. Ng, our beloved coach, always encouraged us that we should "be the most prepared person in the room." During the seven-month preparation, my most treasured gains are the genuine friendship with my teammates, the unreserved support from school, and the mentality and courage to work hard without asking for results.

苏静瑶 SU Jingyao

The FDI Moot is definitely one of the most influential experience I’ve ever had, from which I received my always cherished friendship, and the courage to challenge myself beyond boundaries. During the seven months' preparation, we shared our joys and sorrows together, and were once in a time exhausted, but we never gave up. As our distinguished coach Eric said, the goal is to be always prepared, and to always strive for the top.

王晴 WANG Qing

Participating in FDI Moot truly changed me in countless ways: it sparked my interest in international law, enlightened me of new possibilities for my future, turned me into a more confident and open-minded person…the list goes on. The journey wasn’t always easy, but with such wonderful teammates and coaches by my side, every step of the way was totally worth it.

康梓菲 KANG Zifei

The six-month preparation of FDI has become the most steadfast and fulfilled time since I entered the university. Not only did I learned the knowledge of international investment law, but I also had a chance to practice what I had learned. Moreover, I realized that all the achievements are based on well-preparation. In other word, all the techniques are useless without enough practice.

徐梦瑶 XU Mengyao

Under the tense pressure, you break the boundary.
Within the lovely team, you reap the friendship.
Throughout the drawbacks, you gain the strength.
I will say that a law student’s college life is incomplete until a moot competition fills it up.

贾若楠 JIA Ruonan

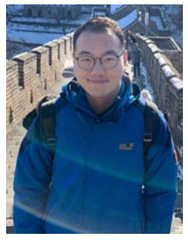
Signing up for the on-campus qualification trials for Price is the wisest decision I’ve ever made. Through this competition, I surprisingly discovered my infinite potential and realized that sometimes it is not ability but courage that hinders my progress. Big thanks to Prof. Zheng, my team members and UIBE.

陆炜嘉 LU Weijia

For me, I received invaluable experience outside moot court. The achievements of UIBE moot court teams could not be torn apart from a strong support system, especially from dedication of time and talent of countless alumni. Their combined passion is the bedrock for our greater breakthroughs!

徐泽茜 XU Zexi

Price is a global stage for Chinese student to voice views on human rights. In this Moot Court, you will find a bunch of reliable partners, strive for the same goal, receive detailed guidance, and finally experience the painfulness and joyfulness of the teamwork. We call it memories.



牟伟 MU Wei

The joy of victory is too obvious while the efforts behind are rarely seen. Nevertheless, Price moot has taught me the pursuit of excellence, which I have been benefited ever since. My hard-working teammates are my life-long best friends, and human rights issues have been playing a significant role in my study and research.

苏冠南 SU Guannan

It is the first time for me to conduct in-depth research on a certain legal issue for a long time, the first time to cooperate with my friends for a common goal late into the night, and the first time to feel in person that we the Jurists have the duty to “fight for rights”.

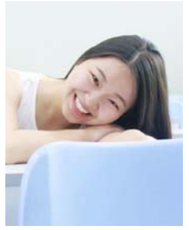
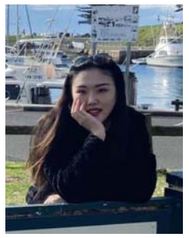
高帅 GAO Shuai

Our team has achieved several breakthroughs of the first place and all the best oralist awards in the national round, and top 30 in the international round. Later, while attending NYU Law School, I participated again in the North American regional round of ICCMCC and advanced to the semi-finals as the only foreign team member. The nine months I spent alongside my teammates were the most valuable experience during my graduate studies.



周心越 ZHOU Xinyue

I was dreaming to join our Law School's moot court club since the first day I came to UIBE; luckily and not easily, the 2018 ICC Moot Court Competition gave me this opportunity, during which I grabbed every chance to enhance my ability of writing memos and presenting statements. ICCMCC gave me so much fun that my post-graduate life would be dull and plain without this experience.



史珂瑜 SHI Keyu

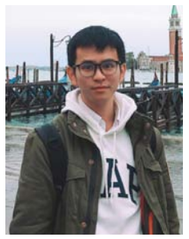
I always think that moot court experience should be the most memorable and rewarding experience in my undergraduate law study, which improved my research skills, teamwork skills, and resilience. I hope more and more students can participate in UIBE's moot court competition, enjoy it and benefit from it.

覃欣欣 QIN Xinxin

I had played every possible role in ICCMCC: first researcher, then speaker and assistant coach at last. ICCMCC took up a substantial and meaningful place of my college life. I did not feel lonely when I walked out of the Yifu Building with snowflakes falling on winter nights, for I always felt the warmness brought by efforts we paid and the sense of achievement, which made us hold on to the last.

廖倬立 LIAO Zhuoli

Not only did the International Criminal Court Competition lead me to embark on a new journey in the field of moot court competitions, it also helped me meet my lifelong mentors and friends. Thanks to this unforgettable experience, I've learned to think, write and speak like a professional practitioner. This competition also reaffirms my aspiration as a dispute resolution lawyer.



陆一戈 LU Yige

The days with the ICCMCC Team of UIBE are always shining in my life. I would like to express my appreciation to my teachers and teammates. They helped me improve my thinking and expression skills, encouraged and accompanied me when I feel frustrated so that I had an amazing mooting experience.

郑梦雅 ZHENG Mengya

Apart from ushering me to the international human rights law, participating in ICCMCC stirred up my intellectual passion to delve deeper into this discipline through graduate studies, and sheds new light on the direction of my future endeavors. Being a former player and now a student coach for the ICCMCC team, I have the privilege to make acquaintance with comrades united by common enthusiasm, and have forged long-lasting bonds that facilitate our personal growth.

I am glad I took this opportunity to jump out of my comfort zone. My teamwork skills have also been greatly improved. Without the cooperation and dedication of other team members and the student tutor, there would be no wonderful display in the court.
